EDUCATION

University at Buffalo

Buffalo, NY

Bachelor of Science in Computer Science | GPA: 3.9/4.0

Aug. 2025 – Present

- *Dean's List: Fall 2025, Spring 2026*
- *Relevant Coursework: Data Structures, Computer Organization, Discrete Mathematics, Programming Language Concepts*

EXPERIENCE

UB Forge Fellow

Jan. 2026 – Present

UB Forge

Buffalo, NY

- Building a startup from idea to MVP alongside founders, engineers, and mentors
- Participating in weekly build sessions and speaker events focused on product development
- Collaborating with a community of student builders to ship real software projects

PROJECTS

Apex | *Swift, SwiftUI, OpenF1 API*

2026 – Present

- Building an F1 companion iOS/macOS app featuring live driver telemetry, track map visualization, and an ideal-lap ghost car mechanic
- Architecting data layer using OpenF1 and Jolpica-F1 APIs with SwiftData caching and protocol-based service abstraction
- Implementing contextual F1 rule explainer surfacing real-time penalty notifications with plain-English educational overlays for new fans

Activity Tracker | *Python, CSV*

2026

- Built a full-featured CLI productivity tool with multi-category activity logging and historical trend analysis
- Implemented CRUD operations with CSV persistence, including edit, delete, and date-range filtering

Portfolio Website | *HTML, CSS*

2026 – Present

- Designed and built the personal portfolio site at smyanseth.com displaying projects and experience
- Deployed with custom domain configuration and Cloudflare CDN for global edge caching

TECHNICAL SKILLS

Languages: Swift, Java, Python, HTML, CSS, MySQL

Frameworks: SwiftUI, SwiftData

Developer Tools: Git, GitHub, Xcode, VS Code, IntelliJ IDEA, Cloudflare
